

Cookie Policy

General

This Cookie Policy is applicable to Squared Financial (CY) Limited's (hereinafter the "Company", "we", "our" or "us") website, www.SquaredFinancial.com (the "Website") and Squared Currency Converter mobile application (the "SCC mobile app").

What are Cookies

Cookies and similar technologies such as pixel tags/beacons and scripts ("Cookies") are tiny files that are downloaded to your computer, to improve your experience.

This document describes what information they gather, how we use it and why we sometimes need to store these Cookies. We will also share how you can prevent these Cookies from being stored however this may downgrade or 'break' certain elements of the Website's or SCC Mobile App functionality.

How We Use Cookies

We use Cookies for a variety of reasons detailed below. Unfortunately, in most cases there are no industry standard options for disabling Cookies without completely disabling the functionality and features they add to the site. It is recommended that you leave on all Cookies if you are not sure whether you need them or not in case they are used to provide a service that you use.

Disabling Cookies

In addition to the cookie consent manager on our Website and SCC Mobile App, you can control and/or delete you can control and/or delete Cookies by adjusting the settings on your browser (see your browser Help on how to do this).

Be aware that disabling Cookies may affect the functionality of our Website or SCC Mobile App and you may have to manually adjust some preferences every time you visit these.

If you've disabled one or more cookie categories, we may still use information collected from existing Cookies, but we'll stop using the disabled Cookies to gather any further information.

The Cookies We Set

When you submit data through a form such as the one on our website, Cookies may be set to remember your user details for future correspondence.

Third Party Cookies

In some special cases we also use Cookies provided by trusted third parties. Our site uses Google Analytics which is one of the most widespread and trusted analytics solutions on the web for helping us to understand how you use the site and ways that we can improve your experience. These Cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content. For more information on Google Analytics Cookies, see the official Google Analytics page.

More Information

Hopefully the above information has clarified things for you and as was previously mentioned, if you are not sure whether you want to allow the Cookies or not, it's usually safer to leave Cookies enabled

in case it interacts with one of the features you use on our site. However, if you are still looking for more information, then by all means feel free to contact us.
